What’s the process to become a California Notary?

Becoming a Notary Public · https://calnotaryclass.com/help/whats-the-process-to-become-a-notary/

There are three major steps:

1. Complete our online California Notary training class.
2. Complete the state exam.
3. Submit your application to the state.

We cover all of these steps in great detail during our notary course. We also link to the appropriate pages on the state’s website to make it easy.
